

## Making It Happen – The 3 Critical Ingredients for Effective Communication

As you prepare to tackle your next chapter, this session focusses on the crucial and critical conversations that need to happen right now to allow you to help lead others to make smart decisions, act with confidence and grow their value in you as a trusted partner.

- Prepare for the conversations that need to happen right now.
- Develop questioning frameworks to help others find clarity in their decisions.
- Help lead conversations that result in positive outcomes and increase momentum in changing times.
- Learn the tools to help others stop procrastinating and start executing.
